

In our worship we try to combine both modern and traditional elements.

Our Morning service usually lasts for about an hour. Children are welcome and we have an active Junior Church which, after sharing the first part of worship, leaves to follow the theme in their own age groups. At our youth services on the second Sunday of the month we stay together.

Our Sunday evening communion service is held on the first Sunday of the month at 6pm. All are welcome to this quiet, reflective service.
